

Danielle Oryn, DO – Chief Medical Information Officer

Since medical school at Nova Southeastern University, Dr. Danielle Oryn has been passionate about leveraging technology to improve health care for the underserved. After completing residency in Family Medicine, she went on to complete a Masters in Public Health and a graduate certificate in Biomedical Informatics. As Chief Medical Informatics Officer at Petaluma Health Center and Redwood Community Health Coalition, Dr. Oryn provides leadership for initiatives in clinical systems, health information technology and quality improvement.
